

**SCB-A HIGH SCHOOL CLUB HEADS, VARSITY CAPTAINS and EXECOM**  
**VISIT P.E.A.C.E KAMP**

By Liara Prado and Sofia Javier

Over the summer, the SCB-A went to Pinatubo Eco Adventure and Cultural Enclave also known as P.E.A.C.E. Kamp in Porac, Pampanga as part of their leadership training. The council was divided into 4 groups: football workshop, tutoring, mural painting, and bead-making. These groups were all given the task to help out in sharing important skills and lessons to the PORAC Community. Afterwards, the SCB-A participated in a *Boodle Feast* and watched a special program prepared by the Aetas showcasing their culture and way of life, ending with a distribution of gift bags. The outreach was an enlightening experience for the whole group as everyone shared their takeaways during the processing that followed.
